

April 13, 1948

Dr. M. Demerec  
Department of Genetics  
Carnegie Institution of Washington  
Cold Spring Harbor  
Long Island, New York

Dear Demerec:

From your letter of April 9th, one gets the impression that there are only two applicants for the two available grants. If this is the case, by all means, my vote is in favor of awarding the grants according to the suggestions in the letter.

If I am wrong and there are other possible candidates, I should appreciate knowing who they are and what the relative qualifications are.

Cordially yours,

T. M. Sonneborn
